Tours

#	Name	Company	Broker	Comments
1.)	Alex Ohelshalom			Alex is a local hotel investor, he was concerned with the status of the existing concrete super structure.
2.)	Ben Shaoul	Magnum Real Estate Group		Ben is a very active NYC developer, owner, and investor.
3.)	Jeff Bennett	R & B Development		Jeff was relatively quiet throughout the tour, asking questions regarding the overall process and expectations on pricing.
4.)	Jason Hsiang/Michael Pomeranc	Sixty Hotel Group		Michael Pomeranc toured with Jason Hsiang of Sixty Hotels. They have hotel development/management experience but need to learn up on the area before moving forward.
5.)	Eran Nornberg	Arum Equity		Eran Nornberg and his group, Hampshire Hotels, recently acquired 560 7th Avenue from MK. They developed the Dream Hotel as well as The Charwal (among many), and they have toured the property a number of times in the past. They love the location/height and want to discuss numbers.
6.)	Meir Milgraum	Lightstone Group		Meir came with three of his colleagues. They like the location but believe the rooms are too small and will need to reconfigure the layout. In turn, they believe a lot of work needs to be done and they will not be competitive.
7.)	Jim Luchars	Stonebridge Co's		Stonebridge is currently developing 3 hotels in Manhattan, they typically work with Marriott who toured after. They cannot compete north of \$30m.
8.)		Marriot Hotels		Marriot has a new brand, similar to the ACE hotel they are looking to bring out.
9.)	Mark Harouman	Jam Realty		Mark is an active investor, primarily in multifamily. He would look to convert the Hotel to extended stay or maybe a variance for full residential.
10.)	Sam Alison-Mayne	Taukhous		Sam was concerned about the overall size of the rooms and their ability to drive ADR.
11.)	Will Obeid	Arcade Capital		Will toured with his equity investors.
12.)	Will Obeid	Arcade Capital		Comments Pending
13.)	Arnon Harazi	Bluerock Prop		We don't have much info on Arnon, other then he supposedly owns a few select service hotels in the NYC Metro area. He seemed concerned over the amount of work needed to complete the hotel.
14.)	Will Obeid	Arcade Capital		Came through with Robert Marcus and David Rosen.
15.)	Baysal Alp and Kozbek Kadir		Alan Cohen	Alan's clients are buyers from Istanbul.

16.)	Michael Zeylikman	Domain Properties	Michael represents a foreign hotel group, they toured with quite a few investors.
17.)	Pinky Vaid	Pan Wi	Pinky owns a hotel in Midtown, he likes the project, but was very skeptical of the stalking horse pricing. He felt there was an additional \$15-\$16 million needed.
